Ultreya - October 27, 2016

A Message From Our Lay Director

DeColores Everyone,

In our last bulletin I mentioned that it will take the support and effort of many Cursillistas in getting our movement more alive and vibrant again. An idea was brought forward in regards to getting people back to attending Ultreya. Instead of trying to get a hundred people back, each try and get one person back.

So let me challenge you to try this. What if you asked the person who sponsored you, a table leader from your table, or someone you may of have sponsored, to come with you to Ultreya. If this worked we could double or triple the attendance.

I pray it works and that the Grace we receive at Ultreya fills the heart and soul of each person who attends.

DeColores, Kevin

*Come Holy Spirit, fill the hearts of your faithful, and kindle in us the fire of your love.
Send forth your Spirit and we shall be created, and you shall renew the face of the earth.*

*O God, Who by the light of the Holy Spirit did instruct the hearts of the faithful,
Grant that, by the same Spirit, we may be truly wise and ever enjoy His consolations,
Through Christ our Lord
Amen*
