## Message from Lay Director

How has "Study" affected your life since you made your Cursillo? For me, it has opened my eyes to the many paths that lead to God, that allow me to learn more about His love and the abundant graces that He shares with me each and every day. It has become not merely the study of Christianity but a way to become friends with God. I have discovered that this second leg of our Christian tripod does not only have to be from the written word but can and should include audio and video resources, poetry, music, art, conversations and the observation of the people and nature around us. In short, every day is a whole new learning experience about the wonderful God who created me and who loves me unconditionally.

DeColores and God Bless. Rick

### QUOTE FROM MOTHER TERESA

*I am not sure exactly what Heaven will be like, but I know that when we die and it comes time for God to judge us, He will not ask "How many good things have you done in your life?" Rather He will ask "How much love did you put into what you did?"*
