

Cape Breton East Richmond Cursillo Bulletin - September 2017

Message from Lay Director:

DeColores everyone. I hope you all had a great summer, sure was great weather wise and it sure did go by quickly. So here we start another year and its been a busy September for sure. Karen and I attended the Atlantic Cursillo Conference, along with our past Lay Director Rick and Rose Alexander. It was an experience for sure, the majority of the attendees were from New Brunswick, with all provinces with representatives. They were very enthusiastic and just beautiful people.

Preparations for both our men's and a women's weekends meetings are progressing well. So again we look forward to your support, with your prayers for the teams and candidates. One of the big challenges is getting candidates, so if you have someone who wants to make a weekend, please get the application in as soon as possible so to help in the planning.

Remember to first read the sponsorship paper for your duties. At our September Secretariat meeting it was decided to have a short message concerning sponsorship, at the closing and Ultreya's as it is a such a very important job. We thank our Fourth Day Reps, Claudia and Burt Aucoin who will be doing this.

We still have two openings on the secretariat that could be filled, so if you have an interest on being on the secretariat please let me know.

De Colores and God Bless
Kevin (MacSween)
Lay Director

News and other:

- Big thank you to Janette MacKinnion, for her donation of the Tabernacle that was in the prayer room at the Villa Madonna, she purchased it when they were selling items from the Villa. So it is now in the prayer room at Camp Bretondean.

-Ultreya/Follow-up, What a beautiful way to live and share our third and fourth day. Our next Ultreya /Follow-up will be held on **September 28, 2017**. Remember our challenge to bring someone with you to Ultreya/Follow-up, maybe your sponsor or someone else who has been away from our movements for awhile. Your invite could change their lives.

-Website, if you get a chance have a look at the Cursillo Challenge website, at www.cb cursillo.com. Also there is a Cursillo Challenge facebook, both excellent ways to keep in touch and follow what is going on.

There has been great concern over Cursillistas using cell phones on the weekends and at the closing and actually recording parts of the closing. This practice has to stop as it is against the privacy policy. Please leave your phones in your vehicles when attending a closing or Ultreya or when working a weekend.

Come Holy Spirit, fill the hearts of your faithful, and kindle in us the fire of your love.

Send forth your Spirit and we shall be created, and you shall renew the face of the earth.

O God, Who by the light of the Holy Spirit did instruct the hearts of the faithful,

Grant that, by the same Spirit, we may be truly wise and ever enjoy His consolations,

Through Christ our Lord, Amen
