

ULTREYA

Cape Breton East Richmond Cursillo

30 April 2015

Message from Lay Director

Imagine for a moment the weekend you made your Cursillo. Remember the three encounters: with self, with Christ, with others. Everything on the weekend was shared from the food, the music, the talks, table group discussion to the morning and night prayers, the skits, the Masses and the Rosary. These three days were a lived experience, which led us into our closing, our encounter with our greater Cursillo community. After the weekend, our Cursillo focus turned to what nourishes us our group reunion and our ultreya. Ultreya, which means "onward or to proceed further" is, in totality, the sharing of our Christian life. It allows us to gather for a little while away from the circumstances of our busy lives. We are able to share what we live (our faith-Jesus Christ) in friendship and joy in a true Christian community and by doing so, live what we share in our daily environment, our small world. We do this with strength and conviction as we continue to take Jesus out into our many and varied environments.

DeColores and God Bless. Rick
